

World of Mathematics Team Championship - BEIJING, CHINA
Wednesday 25th to Sunday 29th November 2015
Grades 10-12 and IB DP11

Modern English School Cairo, has created a competing Mathematics Team. The team will compete internationally in the World of Mathematics Team Competition (WMTC) in Beijing, China. At MES Cairo we would like our mathematicians to compete with similar peers internationally and be exposed to different ways of problem solving. This experience will allow our students to interact with great Mathematics professors and other students from around the world who have passion for mathematics.

In Beijing students will compete as well as explore China through sightseeing. The visit will commence on Wednesday 25th and end on Sunday 29th of November 2015 inclusive. Sightseeing will be organized by the representatives of the WMTC, it will include: The Great Wall of China, The Forbidden City, Summer Palace, Beihei (North Sea) Park, and shopping.

1. Sponsors

Chinese Society of Optimization, Overall Planning and Economical Mathematics (China)
Chinese Society of Optimization, Overall Planning and Economical Mathematics, Committee of Mathematics Education (China)
The World of Mathematics and Physics Journal (China)
