

MODERN ENGLISH SCHOOL CAIRO

8th January 2017

Moodle Workshop for Parents

Dear Parents

As you are aware, the Primary School have recently aligned with the Secondary School and are now using **Moodle** as our online Learning Management System. This web based system is an online space that houses all of the tools and resources used by your child and their teachers, as an integral part of their integrated 21st century learning experience. Not only does this bring continuity between the Primary and Secondary Departments, but it also bridges the gap between home and school learning, where you and your child can now share and celebrate their learning successes and grow their skills from home, as well as at school each day.

We would like to invite you to a workshop to find out more information about what Moodle is used for in class, as well as how you can support your child when they are using it from home. The workshop will be held in the School Theatre at the following days and time:

- **Foundation Stage Parents: Monday 23rd January - 8.30am - 9.30am**
- **Years One, Two and Three Parents: Tuesday 24th January - 8.30am - 9.30am**

If you would like to attend please complete and return the reply slip attached.

We look forward to seeing you there.

Yours faithfully

Georgina Dean
Primary Online Learning Coordinator

Amanda Holmes
Headteacher KS1

Moodle Workshop Reply Slip

I _____ Parent of _____ in Year _____

- will attend the workshop ☐

- will not attend the workshop ☐

Signature: _____
