Responsible Internet/ICT Network Use

As part of your child's curriculum and the development of ICT skills, in conjunction with access to the school's ICT Network (computer system), MES Cairo is providing supervised access to the Internet. We believe that the use of the World Wide Web and e-mail is extremely worthwhile and is an essential skill for children as they grow up in the modern world.

Please therefore read the attached "*Rules for Responsible Internet Use*" and sign and return the parental/guardian consent form so that your child may use the Internet at school.

Although there have been concerns about students having access to undesirable materials we are taking positive steps to deal with this risk in school. Our school Internet provider operates a filtering system that restricts access to inappropriate materials. This may not be the case at home and MES Cairo can provide references to information on safe internet access if you wish. We also have leaflets from national bodies that explain the issues further.

We would ask you to kindly note that, whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, the school cannot be held responsible for the nature or content of materials accessed through the Internet. The school will also not be liable for any damages arising from your child's use of Internet/ICT facilities.

Thank you as always, for your continued support and co-operation.

Responsible Internet Use Parental/Guardian Consent

I also agree that the school is not liable for any damages arising from the above student's use of the Internet facilities.

I further understand that, as Internet access is being provided in conjunction with access to the school's ICT Network, any irresponsible use may result in the loss of right of access to both the Internet and the school's ICT Network in general.

Web and other Publication of Work and Photographs:

I understand that if the above student's school work is considered by the school to be of good enough quality, it might be published on the MES Cairo website. I also understand that any photograph of or including the above student that is published on the MES Cairo website, or other publications, will be done so subject to MES Cairo rules, which require that photographs do not clearly identify individuals and that full names are not used.

Tuition fees are subject to change in the years to follow.

Tuition Fees are to be paid in **Egyptian Pounds** at the HSBC bank or the Arab African International Bank opening rate on the day of payment.
