

MODERN ENGLISH SCHOOL CAIRO

January 18th, 2017

Information Meeting for Middle School (Grades 7 and 8) Parents Monday January 23rd, 2017, 1:45pm– 2:45pm, School Theater

Dear Parents of Grade 7 and 8 Students,

As students move from Middle School in Grade 8 to High School in Grade 9, many families often have questions about what awaits their children. What courses are offered and how should I help my child select classes? What are the university requirements for a specific major? What courses should I suggest my child request for certain majors? Who will counsel my child concerning his/her career path?

Grade 9 is an important transition in the American Secondary Section and we want to ensure that you and your child are well informed so that you may make decisions that best fit your child's aspirations. Though this information is most important for Grade 8 parents, we feel Grade 7 parents might also appreciate a primer on the American High School experience. For this purpose, we are holding a **Middle School Parents Information Meeting on Monday, January 23rd, 2017 at 1:45 pm** in the School Theater. Hopefully this general information session will answer your questions and even present new questions for thought.

We are very proud of our American High School program and the well-qualified teachers who devote their time and expertise to advancing our students to their goals of a university education. Our graduates move on to a variety of universities here in Egypt and abroad. Our exceptional offering of Advanced Placement (AP) courses gives students an opportunity to explore a particular course in depth and at the college level. For students who want a more broad liberal arts education, a strong college preparatory program is offered.

We look forward to seeing at the Information Meeting on Monday, January 23rd, 2017.

Sincerely,

Ms. Kasandra Battioni
Dean of Students,
Grade 7 and 8

Mr. David McKoski
Secondary Vice Principal,
American Section
