

## MES CAIRO KEEP EGYPT WARM APPEAL 2023

**HELP US TO SUPPORT THE ANA EL MASRY FOUNDATION AND TOGETHER WE CAN HELP YOUNG PEOPLE STAY WARM AGAIN**

**THIS WINTER**

**PLEASE SEND IN YOUR DONATIONS AS SOON AS POSSIBLE**

### KEEP EGYPT WARM 2023

As temperatures drop and winter approaches fast, we need to consider the plight of others who are less fortunate than ourselves. There are many young people in Egypt's disadvantaged communities who rely on our help through the harsh winter months. Their health and wellbeing is positively impacted by the contributions we make through our annual KEEP EGYPT WARM charity campaign.

### ANA EL MASRY - I, THE EGYPTIAN

This is not the first time that MES Cairo has supported the Ana El Masry Foundation of Egypt. Our previous campaign was met with great enthusiasm and generosity by our Primary and Secondary students and their families. We collected an impressive three buses full of clothes and gifts to give to the children sheltered by the Ana El Masry Foundation.

*Help us to help the most vulnerable people in our society*

### MES CAIRO STUDENTS SERVING THE COMMUNITY

We are proud to have teamed up with The Ana El Masry charity again this year, bringing the MES Cairo family together to make a significant difference to so many young people in need.

Our annual KEW campaigns give our students many wonderful opportunities to give back to their community and to engage in service on a grand scale, uniting the whole of the MES Cairo family in support of a great cause.

Please encourage your child to participate in the many events taking place at school.

## HOW CAN YOU HELP?

Please donate items from the list below

- **Blankets**
- **Winter clothing**, especially children's sizes.  
Clothes must be in good condition. New items are preferred, however gently-used items are suitable as long as they are properly cleaned and ready for distribution. Please do not send school uniform items.
- **Food items** including tinned food, rice, pasta, dried food such as fuul/lentils, cooking oil
- **New Toys**

We will collect your contributions from **Wednesday 8th November through Thursday 14th December 2023**. Collection boxes will be located around school campus; students, staff and parents may bring items into school at any time. Class Dojos (Primary) and House Points (Secondary and Primary) will be earned for every contribution.

Please support this worthy cause and help us to spread warmth this winter. Our target is to have at least one contribution to our collection from every child at MES Cairo.

You may deliver items to the front desk, or send them in with your child(ren). Collection boxes will be located in the Primary and Secondary Atriums, as well as in the Front Desk area.

### KEEP EGYPT WARM OPERATION QUILT PATCHWORK

As part of the Keep Egypt Warm initiative, on 30th November 2023 we will once again cover the school field.

Primary students in Years 3, 4, 5 & 6, and Secondary students in Y/G 7 & 8 and Y/G/DP12 are requested to bring a blanket into school on or before 30th November 2023 to support this worthwhile challenge. We ask that students buy a new blanket or find a gently used blanket to donate. Winter-weight blankets only please not sheets, towels or baby cot blankets.

All participating students who have brought in a blanket donation will then help to arrange the blankets on the school field between 8.00am and 9.00am.

*Leadership though Education:  
Care, Challenge, Inspire*
