

AP Score Summary 2023-24

Overall:

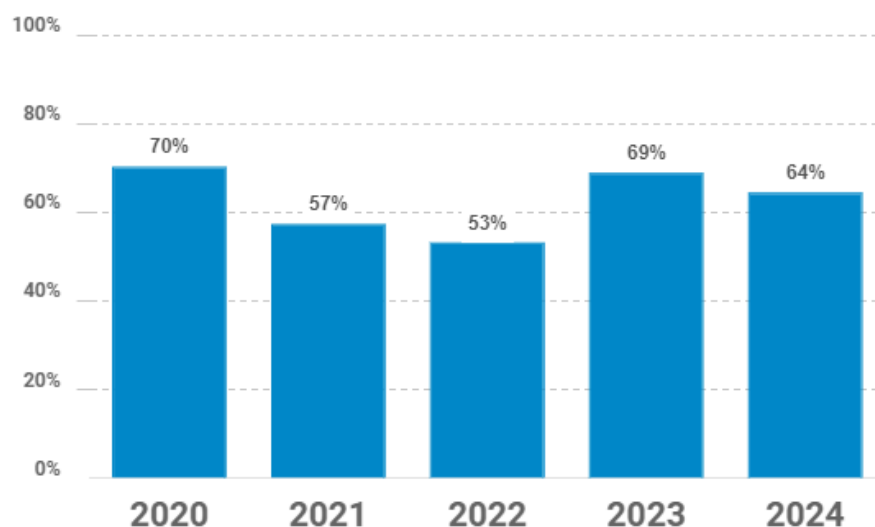

Globally, in 2024, more than 2.9 million students took over 5 million AP exams. In the 2024 exams, 30 seniors took 54 different exams that they were not qualified for but needed to take for university requirements. In the upcoming academic year (2025), 9 AP exams will be offered fully online globally. Out of these 8, MES offers the following courses (5) AP Computer Science Principles, AP English Language and Composition, AP English Literature and Composition, AP Psychology, and AP World History. Students can begin taking AP exams as soon as they are academically ready and some schools offer AP courses in 8th grade. Due to ministry requirements and those of the US Diploma, schools in Egypt begin offering AP courses in 9th grade.

During the 2023-24 academic year, 104 MES students took the challenge and enrolled in 229 college level classes and took the subsequent College Board examinations. 67% of AP Exams taken at Modern English School Cairo scored 3.0 or higher.

Course Offerings:

MES offered 18 different courses during the 2023-24 academic year at the AP level. Of these courses, MES scored higher than the Egyptian average in 8 of the 18 courses and 5 of the 18 courses against the global average. MES improved averages in 7 of the 18 courses from the previous year's results.
