

MODERN ENGLISH SCHOOL CAIRO

Dear Parents,

Temperatures have dropped and winter is fast approaching! You will have received a message via email to inform you that the uniform is now stocked with winter items which can be ordered online via the family portal and delivered home via students. With a change in climate it is important to be all the more vigilant against the spread of COVID-19 and other illnesses. We are taking extraordinary measures at school and have achieved success in ensuring no cases of transmission on campus. We need the support of everyone to help protect our students, their family and our school community at large. To this end, we appeal to all parents to follow the advice below:

- Ensure all family members are wearing masks and sanitizing when interacting with people who are not in your usual family 'bubble'
- Limit social interaction with others. This means avoiding gatherings with people whose health you cannot be certain of
- Avoid physical contact with everyone beyond the family members you share your home with
- Stay home if you are unwell; keep children at home if they are unwell
- If you/your children have been in contact with a person who has tested positive, consider the likelihood of contamination – if you consider it possible that you may be a carrier (either symptomatic or asymptomatic) take precautionary action. Isolate, monitor your health; in the case of MES Cairo students please keep them at home, contact school to share your circumstances and seek advice
- If anyone in your home tests positive for COVID-19 all members of your household should isolate, medical advice should be followed, and you must report details to school.

The fact remains that COVID-19 is around us. It is impossible to guarantee protection from exposure, but it is possible to take sensible precautions to minimize the risk of contamination. Doing so is a community responsibility that we all must accept.

STAY WELL!...and don't forget about our campaign to KEEP EGYPT WARM!...
Your donations of dry food items (for the Egyptian Food Bank) and clothing (for the Egyptian Clothing Bank) continue to be very well received.

T-shirts for our 24hr Run Event are available for sale on our Family Portal; t-shirts may be worn (with jeans!) on Sunday 6 December and Thursday 17 of December 2020.
